The Gleam records golden moments

of Chrisman life during 1958-59.

The Gleam

"Not of the sunlight,
Not of the moonlight,
Not of the starlight,
O, young mariner,
Down to the haven,
Call your companions,
Launch your vessel
And crowd your canvas,
And, ere it vanishes
O'er the margin,
'After it, Follow it,
Follow the Gleam.' "

Tennyson

It has been such a pleasure getting to know you this year. I would have liked to have gotten to know you even better yet. Best of luck to one, who, I trust, will go far in whatever life endeavor she takes to be. This year has been a pleasure. Sincerely, Margaret Harris '60

Foreword

William Chrisman stands silhouetted against a horizon of golden moments long to be remembered in the hearts of every student. The expanding campus and facilities and ever increasing student body have all contributed to the growing intellectual maturity of the graduating class. This wisdom and enthusiasm will give them courage to meet the challenge of the future.

It is the endeavor of the 1959 *Gleam* to record the treasured moments of Chrisman life during the year. The assemblies, mixers, pep rallies, games, plays, club activities and classroom associations are all an important part of student life. Each occupies a very special place in the happy memories of the student that time can never erase.

Students explore many new horizons

American history classes paid a visit to the Truman library to see historical documents.

Some of the history students examined various nations' flags at the library.

in their classrooms and class projects

Senior members of the paper staff work industriously to publish the next edition of the "Envoy."

These Division II biology students are examining one of the insect collections that is made and studied during the year.

In addition to their regular English, these Division II students help with the work of the publications department.

scenes

In this age of rockets and outer-space, the classrooms seem to be a proving ground of what will be accomplished in the future. Many experiences long to be remembered were gained working side by side with teachers and classmates.

Vice-presidential candidates, J. D. Williamson and Dennis Branstiter, shake hands while their campaign managers, Wayne Dugger and Linda Brown converse.

Opponents for parliamentarian, Elizabeth Shultz and Sharon Mills, are amused at one of their posters while Jeannine Hutchings and Ronnie Allen, managers, watch.

Candidates for the office of president, George Taylor and Ed Draper, shake hands as Mary Jane Heinrichs and Linda Jane Clements look at the opposing candidates.

Even opposing candidates can be friends as Judy Oberhelman and manager, Beverly Huhn, demonstrate here with Janice DeTray and her manager, Marilyn Denham.

Gathered around one of the secretarial campaign figures, "Bugs Bunny," are candidates, Charlyne Searcy and Wilma Penton, with managers, Mari-lee Clements and Judy Jo Johnson.

The student council parade on the morning of the election, makes ready to drive around the Independence square.

Students enjoy many varied activities

Some students are always anxious to leave the parking lot after a busy day at school.

Girls in a home economics class are learning the fundamentals and skills of cooking through the process of cake baking.

Students encounter varied experiences

Norman Cox, Division II mathematics teacher, apparently finds it is easier to teach his geometry class with the support of a wastebasket.

Congratulating vice-president-elect Tom Haas is Jeff Arnold. Bob DeTray and Carol Sue Nelson are interested onlookers.

Parliamentarian candidates at Division II were Marnita Crookston and Charlotte Dieckman, winner. Their managers were Lynn Ballew and Marge Bullamore.

Mike Soper, newly elected president for Division II, shakes hands with Eddie Mitchell as Eddie's manager Sue Brown watches.

In the race for treasurer were Janice Gillespie and the winner Sherri Allen. Campaign managers, Deanna Donelson and Carolyn Caskey, lent a helping hand.

Campaigning for the office of secretary were Sherry Mesle and defeated candidate, Gail Elliot. The onlooking managers are Judy Maddy and Cam Austin.

Student council members work endless hours compiling names, addresses and phone numbers for the Bear Facts book.

A football game wouldn't be complete without the enthusiasm contributed by the band.

Publications I students work industriously on learning yearbook production and editing a school paper.

Moments of enjoyment pass quickly

Division I chemistry teacher, Miss Witt-har confers with parents at the PTA back-to-school night.

Many parents took the seats their teenagers occupy during the day as Miss Waitman, Division I teacher, explains the fundamentals of solid geometry.

Miss Myers, shorthand instructor, shows some of the parents how to place their dictation notes for typing.

Girls in Division I gym class enjoy a pleasant change playing softball.

The outdoors is scene of many pursuits

Division I boys' gym class scrimmage in touch football during the hour.

All seven of the cheerleaders find time to practice together after school.

Cheerleaders direct football spectators in an enthusiastic yell.

The a cappella choir and orchestra rehearsed many long hours to present their show, "Chrisman Capers," March 20 and 21, at Division I.

Memories fill these rooms

Students enjoy the new facilities in the library at Division I.

Administrative personnel helps students gain the necessary knowledge that they will need in future years. Their understanding and friendship give them a feeling of security. Faculty guidance in aiding stu-

dents to choose their profession or vocation will always be valued. The administration has helped in the building of strong characters and in the development of leadership.

Division II

Mr. Brown and Mr. Parks are kept busy during the summer planning appropriate schedules for the students at Division II. This program includes pupil counseling, faculty assignment and supervision and continuous evaluation of their progress. Preparing boys and girls to meet the challenge of each succeeding periods in their lives requires a great deal of planning and action.

The routine tasks of record keeping, building maintenance, public relations and extra-class activities should serve to increase the effectiveness of the classroom activities. They are always on the job trying to serve as the situation requires.

Forming the policies, rules, and regulations of Division I are Mr. Benson and Mr. Lefever. Each year they send a report concerning the new teachers and the classes they teach to the State Department of Education.

Mr. Lefever is in charge of the attendance and issues bus passes to students according to the bus schedules of that year. He also checks credits for graduation.

Both Mr. Benson and Mr. Lefever study the curriculum requirements specified by the State Department of Education. They coordinate these requirements with students' needs to provide a well rounded program of studies. They feel their time is well spent when the graduating class leaves to make its place in the community.

Dr. Plucker and Dr. Carter are active in the civic activities of the community and are responsible for the general public relations program of the school. They approve for adoption all textbooks and instructional material for the program at William Chrisman.

Dr. Plucker and Dr. Carter are confronted with housing problems for the ever-increasing school population. Studying blue prints and architectural drawings keep them busy in the planning and supervising of new buildings, additions to buildings now in use and improvements to the older buildings.

Students at Chrisman have been interested in the many improvements made at Division II. Underclassmen are eagerly anticipating the completion of the auditorium at Division I.

Each year a permanent record for each student is kept. They shall assign all instructional and non-instructional personnel. The superintendent of schools shall serve as the executive officer of the Board of Education, and shall be charged with the responsibility of implementing the policies of the board. Their responsibilities are continuous during the entire year.

Each student of the 1959 school year at William Chrisman High School has contributed to the memories that will be long cherished by each of them in the years to come. The classes, achievements and activities of all are a part of the pages of this year-

book. All have gained knowledge that will serve them later. All have added to the many wonderful experiences that made the year a happy and successful one.

Classes

Serving as senior class president was Dennis Branstiter. During his freshman and sophomore years Dennis was active in football and basketball. Attending Rolla School of Mines for at least five years, majoring in electrical engineering, is the aim of Dennis.

This year Ronnie Cotter was elected vice-president of the senior class. Ronnie has played football and basketball and

Distinguished as the largest

participated in track, and lettered in all three. He was also a member of C club. To graduate from college, majoring in what he likes best, is Ronnie's ambition.

Secretary of the senior class was Elizabeth Schultz. She has been active, participating in band, student council, Art club and National Art Honor society. She served as parliamentarian-chaplain of the Shakespearian Literary society, vice-president of M club, treasurer of the National Honor society and she was elected to go on the sophomore Pilgrimage. Elizabeth was chosen for the D.A.R. Good Citizenship award.

She plans to attend Earlham College in Richmond, Indiana, to study to become a high school science teacher.

Judy Oberhelman was elected treasurer of the senior class. Judy has been active in the following activities National Art Honor society, Art club, cheerleader, Junior Red Cross, Shakespearian Literary society, secretary of sophomore class, a cappella, Future Teachers and Spanish club. This year Judy was elected Homecoming Queen by the football boys. To attend Kansas State College, majoring in education or home economics, is Judy's ambition.

has enriched their school mementoes

A thorough knowledge of the United States Constitution is attained by Miss Kennedy's fourth hour American history class through intensive study.

Patricia Hunter, Larry Starr, Judy Reynolds and Sandra Tignor, students in Miss Riller's fourth hour English III class, study Whittier's poem, "Snowbound." Literary appreciation is an important phase of junior English.

English is a must for every junior student. Miss Bierbaum, one of the English teachers, is discussing with her fifth hour class one of the

many grammar rules studied by English III students.

Chrisman has profited by talents

Admiring one of the many dolls found in the Spanish room are Marilyn Caskey and Kathy Hattey. Some of these dolls have come from Spain, Argentina and Switzerland and many other countries.

While R. Whitehead, J. Haldeman, D. Ballou, L. Galloway and L. Corbin study artwork, D. Landis, E. Parker and R. Behee work on crayon sketches. In Art I the students have an opportunity to develop some of their hidden talents in the form of artwork.

The various departments trained students in the cultural and practical skills needed for happy and effectual living. Many hours of work and pleasure contributed to the knowledge gained which enabled them to earn recognition in and to contribute to

society in the years ahead. Working together in performing assigned tasks and cooperating with everyone in a democratic manner advanced the students' future development.

Generalized Summary of Metals and Non-metals																	
A metal has relatively loosely held electrons and has a tendency to lose electrons.																	
A non-metal has tightly held electrons.																	
If two atoms have approximately the same size, the one with the larger atomic number (nuclear charge) is the metal.

Departments

Some of the fondest memories of high school are the friendships made by sharing experiences in the classroom, at the games and just general good conversation.

These seniors enjoyed chatting with each other before school and between classes. These visits gave them opportunity to exchange ideas.

Friendships formed in the halls

Fifth hour citizenship class taught by Mrs. Lautier study local government. Alva Bowen and Nancy Smith locate points of interest for Karen Davis.

Different types of architecture are studied by Sue Parkman, Pat Motzell, Ronnie Miller, Linda Willard and David Russell, students in Mrs. Garrard's sixth hour citizenship class.

Solving formulas is one important phase in the study of algebra. Joe Darling and Lonnie Clements in fifth hour Algebra I are learning this phase by practice. Mr. Hodges, substitute, was teacher at that time.

Determining their voice range by making a tape recording of poems are Bill Munday, Marshall Lewis, Mary Ruedy and Pat Robinson.

enhanced good will among classmates

Scientific experiments prove interesting to many students in today's world. Pat Mann, Pam Hinde and Ronald Mullins demonstrate the firing order in a four cylinder internal combustion engine in Mr. Shafer's fifth hour general science class.

Explaining an assignment and points of interest on a Spanish map to Stan Jones and Alexis Petrowic in sixth hour class is Mr. Boyd, Spanish teacher at Division II.

Art courses offer many students the opportunity to put into practice their creative ability.

Singing songs in Spanish is an entertaining way of using the language. Enjoying this method of studying Spanish are David Steel, Nancy Rogers, Mr. Boyd and Teddy Holsworth as Joanna Tousley plays the accompaniment.

Sharing experiences in the classroom

These students are demonstrating the revolution of the earth around the sun and showing the tilt of the earth on its axis, causing the different seasons of the year. They are Gay Doubledee, Barry Criger, Larry Black and Darlene Wieligman, members of Mr. Ray's fifth hour science class.

Diagramming is a visual aid in learning grammar as demonstrated by Tommy Kaullen, Merrie McConnell, Dale Dilley and Vera Athey in Miss Mothershead's fourth hour English I class.

Spanish students study the culture of their Latin American neighbors as well as points of interest. Dennis Massie, Gary Brown and Diane Black locate Nicaragua on a map made as a student project for extra credit.

Further interest is shown in Latin America by Linda Richey who points out the lines of Spanish architecture of a cathedral in Taxco, Mexico to Louis Richardson.

augmented student development

Testing is always an important part of the learning process. When units in classes are completed, the teachers measure the ability of students by giving them a test. Miss

Beeman is using this method to appraise her biology students.

A Cappella choir and ensemble groups

Band gives wind players the opportunity to play music together and march in formation at football games. The annual band show is a highlight of the year. Besides playing for civic functions, the band plays at one out-of-town college football game. Activities are supplemented by a pep band.

The main activity of the orchestra is the spring concert it presents with the a cappella choir. While composed of only string instruments in class, the orchestra is joined by wind instruments at extra rehearsals to make the complete orchestra.

A cappella is a selected group of students who wish to sing together. The choir sings at churches and other civic affairs in the city.

General music develops an understanding of music to further appreciation. Girls' choir is a performing group. Mixed chorus teaches students how to sing and gives a broad coverage of vocal music.

Comprising the Division II music department is the freshman and sophomore bands and orchestra directed by Donald Welborn; three vocal groups, two girls' glee clubs and a girls' choir are under the direction of Mrs. Anna Marie Conway. These groups participate in school and community programs.

develops patriotism and honor

Military training in high schools was provided for by the enactment of the National Defense Act of 1916, as amended in 1920. The ROTC unit at William Chrisman high school was established in 1935 principally through the efforts of the Tirey J. Ford Post of the American Legion.

The objectives of this course are:

- a. To inculcate habits of orderliness and precision, to instill discipline and thereby respect for constituted authority, to develop patriotism, and to encourage a high sense of personal honor and deportment.
- b. To give the student (cadet) elementary military training which will be of benefit to him and of value to the nation if and when he becomes a member of the Armed Forces.
- c. To develop an appreciation of the Army in its role of national defense and to fully inform all students (cadets) of the opportunities for service therein.

The complete course of instruction comprises three years, with a required minimum of 96 hours of instruction each year. It will be completed during the last three academic years of high school.

Hygiene and First Aid, Light Infantry Weapons, Marksmanship, Map Reading, Compass, Aerial Photography and Military Organization are but a few of the subjects taught in ROTC.

The purpose of high school ROTC is not to produce Reserve Officers. This mission is assigned to college ROTC units.

Garth Resch inspects Bob Gotway's rifle as Rory Hedrick, platoon leader, observes.

Captain Charles F. West from Spartanburg, South Carolina, is the new commanding officer of the ROTC Department. He attended Wofford College in Spartanburg, South Carolina, and graduated with a Bachelor of Science degree in chemistry. He was also recognized as a distinguished military graduate.

Captain West entered the army as a 2nd Lieutenant in December of 1950 at Fort Benning, Georgia. During the Korean conflict he served with the 5th Regimental Combat team, also in Germany with the 9th Infantry division and the 2nd armored division. Captain West is an infantry officer and has graduated from the Associate Armored Officers course at Fort Knox, Kentucky; Associate Infantry Company Officers course and the Infantry Officer Advanced course at Fort Benning, Georgia. He has received numerous awards and decorations.

Second semester found a change in the mathematics department. Larry Shoemaker replaced Mr. Strohm. This was Mr. Shoemaker's first teaching experience except for his practice teaching.

Born in Cheboygan, Michigan, he completed his first 12 years of education. His first two years of college study was at Graceland College with his baccalaureate degree earned from Warrensburg state college, majoring in physics and minoring in mathematics.

New faculty members — office busy

Helping students with varied problems is just a typical morning's work in the office for Mr. Lefever, vice-principal. The principal's office is a clearing house

for the many questions arising among students and teachers concerning their work at Chrisman.

No, they're not seniors — the two little boys, that is. They are Douglas DeTray and Jerry Vaughan. Janice DeTray and Ed Lee had the leads in "Life With Father," the senior play. Other cast members were J. D. Williamson, Garth Resch, Jackie Huggins, Sally Jo Ireland, Janet Vaughan, Sue Childers, George Hickerson, Linda Wills, Allan Guy, Jerry Parks, Judy Oberhelman, Dennis Graham and Carmen Jones.

Engrossed

Sixth hour mechanical drawing class members, Ray Hopkins and John Burke are interested learners as Mr. Freytag helps Ralph Alexander with a difficult spot on his drawing.

Increasing the students' vocabularies is one of the many aims of the English curriculum. Consulting dictionaries for this purpose are Melvin Kinnaman, Rita McQuain, Dava Mullendore and Clarence Smith, members of Mr. Cowger's freshman English class, taught during sixth hour.

Harold Whitehead, Optimist program committee chairman, presents certificates to Elizabeth Schultz and George Taylor thus honoring them as students consistently good in morals, academics, athletics and citizenship. Mr. Benson introduced

Elizabeth and George to the club. They were chosen by the Chrisman student body to represent the school in the Optimists' Youth Appreciation observance.

Honors won in citizenship, art, music

The twenty-second annual National Art Honor society induction was held in the Little Theatre May 19, 1958 at 8:00 p.m. Members and prospective members must show

ten pieces of art at an exhibit which is an integral part of the program. Award winners are chosen after judges have chosen the best from the showing.

Members of Newspaper I class, Mike Bailey, Fran Mann and Jerry Slayton, are helping prepare the index for the 1959 Gleam. These juniors gain experience in producing a yearbook as well as the school paper.

De Wayne McGowan and Carolyn Gentry decorated the drum for the Band Show with Chrisman symbols. Members of the Art club helped with the decorations for the Band Show.

Janet Patton, Joe Darling, Carolyn Gentry, Betty Fulton and Irene Dugger are putting last minute touches on scenery to be used in the Band Show. This annual music presentation was held January 23, 1959, in the William Chrisman Division I gymnasium.

Carefully tending the plants in biology are John Maloney and Ray Clark. The biology room proves to be a most interesting spot all during the year as the various plant and animal projects are developed. Mice, rats and snakes are

prevalent as specimens in the animal kingdom. House plants provide beauty as well as specimens for study. Vegetables and grain seeds are sown and the plant growth is studied.

Practical training, fun, study

Mr. Burlingame, mathematics teacher at Division I, may know all the answers in solving geometry problems, but he wasn't so adept at fitting together the geometric figures in

a puzzle that a student brought him to solve. These third hour students lend moral support to his efforts. Occasionally, there was a bit of heckling too.

Study is an important phase of the educational process. Quiet, pleasant surroundings provide the proper setting for reflection and organization of material read. Mr. Summa's third hour study hall in room 116 gives the students an hour for study.

Multiplying algebraic terms in one of Mrs. Hook's classes, Billy Adams, David Martin and Donna Rytter increase their mathematical ability.

develop sound responsible citizens

The library is a storehouse of knowledge for those who seek it. Resource material provides additional information to that in the textbook for all students who will take time for

research. Division I library is used by these junior and senior students to further their development of varied units of study.

Demonstration speeches are given early in the year. Sharon Heinlen, second hour student, presents such a speech entitled "How to Apply Stage Make-up." Patricia Hunter is her subject.

Phil Soper proudly displays the first debate trophy of the year. It was won by Phil and James Gardner at the Rockhurst tournament October 25. Other debaters, admiring the trophy, are Deanna Donelson, Bob DeTray and Lynn Balliew. Chrisman debaters participate in numerous speech tournaments during the year. They win many honors.

Donna,

I has really been great fun knowing you these past years - I want to thank you for all the good times you made for me and Judy - I'm really glad that you and Bob are making ~~such~~ a go of everything. Lots of luck & the best wishes always - Stay the wonderful girl you are and you'll never lose friends -

Your friend always,

P.S.

Good luck with Bob!

Lettermen developed abilities

Chrismen Bears started the football season by defeating East high in the opening game with a 12 to 8 score. They defeated Park Hill and Liberty in the last two games. A highlight of the period was the homecoming win over St. Joseph Benton.

The team compiled a four-win, five-loss record. They finished fourth in conference play with a two-win,

three loss record. The Bears exhibited fine sportsmanship and team spirit throughout the entire season.

The players earning places on the conference team were: offensive; Ron Cotter, Gene Davis, George Taylor; defensive: George Taylor and Allen Bishoff. Honorable mention went to Larry Still, David Greathouse, and Joe Shepherd.

Quarter Backs — J. Keadle, L. Still.

Guards — A. Main, G. Davis, G. Hickerson, C. Adams, J. Dike.

Everyone is ready for the rebound. Sweeping the boards is as important in basketball in out-scoring the opponent as scoring a field goal or free throw.

Practice makes perfect and these lay-ups and rebounds are practiced day after day during the basketball season for perfection.

This is the sixth hour gym class or the basketball team and they practice equally as hard on snatching rebounds and generally improving techniques learned previously in classes.

Riders to the Sea was the play entered in the district play contest at Warrensburg, Saturday, March 22, 1958. It received an Excellent rating which is the highest rating possible. Jeannine Hutchings was named as the best actress of the day for her performance of Maurya.

The setting of the play is an island off the west coast of Ireland. It is a cold, gray morning following a storm and the room is dim and full of shadows. Maurya, an old lady, has lost five sons to the sea along with her husband and father. All she has left are Cathleen and Nora, her two daughters, and Bartley, her youngest son.

"Riders of the Sea" One-act play

Bartley, against his mother's wishes, is about to go to sea while it is still rough. Maurya is certain she has lost him. Her fears are realized when men bring her Bartley's body. He had fallen from a horse into the sea on his way to the boat.

The four principals in the cast were Jeannine Hutchings as Maurya, Janet Vaughan as Nora, Sharon Epperson as Cathleen, and David Green as Bartley. Extras included Bob Williams, Bill Fligg, Donnis Graham, Sue Childers, Pat Timms, Judy Oberhelman and Jackie Huggins. Miss Dorothy Bierbaum directed the play assisted by Janice De Tray.

Giving Phylis Weeks the playbook explaining that she will direct the play after all is Mike Coughenour. Paul Smith, the coach, is an interested bystander.

As Mike Soper was just ready to kiss Charlotte Dieckman, Gene Ann Baade, Joan Pyper and Patty Roach rush in to heckle.

Demonstrating some of the sound effects of the play is Nancy Saunders, Our Miss Brooks, on Thursday evening. Learning the techniques are Joye Williams, John Wither-

spoon, Patty Roach, Shirley Graff, Charlotte Norman, Jim Steffens, Cheryl Spencer, Joan Pyper and Gene Ann Baade.

Gasping at the terrifying realization of an anticipated murder is Sue Childers, while Jerry Parks dramatizes the actions of the murderer. Mike Bailey tries to pacify Jerry.

The student council objective for the year has been the augmentation of leadership through the student body. The student body makes up the membership of the council with each homeroom having a representative and an alternate. Miss Myers and Miss Ott are sponsors.

The activities for the year included the mid-summer

and back-to-school mixers in addition to the usual Beartowns. Revising the WCHS handbooks and selling student council pencils were the money raising projects of the council. However, the most important project of the year was the planning for the foreign exchange student for the following year. Fifty-cent shares were sold to finance the cost of bringing a student from South America.

Discussing a forthcoming assembly program with J. D. Williamson is the assembly committee Carol Livesay, Sherri Jones, Judy Yake, Pam Chiles and Gerald Luss.

Counting ballots for the senior class officers election is the elections committee Linda Lightfoot, Linda Laswell, Bonnie Bussard and Jon Morris headed by Sharon Mills.

Student council pencils are checked in by the finance committee Sherri LaMont, Judy Oberhelman, Marilyn LaMont, Ann Schilling and Lynn Ballew.

Making plans for the next Beartown is its committee Janice DeTray, Janet Vaughan, Jim Gardner, Dick Newport, Linda Wills, Beth Stockton, Bob DeTray, Carol Crain, Marilyn Caskey, Jackie Huggins and Beverly Reeves.

Charlyne Searcy gives instructions to the activities committee Wilma Clark, Brenda Burnup, Lynda Smith, Sharon Heinlen, Steve Soper, Wilma Penton, Jackie Record.

Checking money collected for Bear Facts books are Charlotte Dieckman, Tom Haas, Sherri Allen, Mike Soper and Sherry Mesle.

Topping the list of activities, participated in by the student council at Division II, was a drive to obtain money by selling stock to help bring a foreign exchange student to William Chrisman.

Other activities included the delivering of Christmas baskets to needy families and a coke party for the student council and all new members of the school. A committee composed of student council members was designated to welcome new students and acquaint them with the school. The Bear Facts booklet, containing names, telephone numbers and addresses of students was revised.

The student council at Division II was sponsored by Mr. Cohn, Mr. Davidson and Mr. Johnson.

Barbara Draves and George Lee enjoy the rhythmical Spanish melody by Mike Williamson, Pam Richardson and Kay Johnson.

Membership in the Spanish club at Division II totaled about thirty-five. The requirement for joining is to be enrolled in Spanish.

A highlighting program of the year was a guest speaker from Puerto Rico. The members also enjoyed other interesting programs of this informative nature.

Officers for the first semester were: George Lee, president; Aubrey Sumpter, vice-president; Mary Hicks, secretary; Mike Williamson, treasurer; Jeff Arnold, sergeant-at-arms. Mr. Robert Boyd, the sponsor, directed the club for the first time this year.

Students enrolled in Spanish or have taken Spanish and the Spanish-speaking students are encouraged to join the Spanish club sponsored by Mrs. Brush. The one hundred twenty-six members furthered their growing interest in this language, the colorful Spanish-speaking people and their customs by participating in this active club.

Members enjoyed the varied programs presented at meetings held on the first Thursday of every month. One highlighting program was centered around a foreign-exchange student from Guatemala attending Central high school. Students who have traveled in any of the Spanish-speaking countries were also invited to attend to share their outstanding experiences.

of interest in Latin America

Other interesting guest speakers were from Puerto Rico and Venezuela. For a change of pace, the members learned the steps to two Latin American dances.

A unique experience shared by many of the members of the club was the trip to Guadalupe Center in Kansas City for a Mexican meal. Latin American music and dancing climaxed the evening.

Several dolls from the Bahama Islands were added to the Division I Spanish department this year. Four headphones were attached to the recorder for students who desired special work on Spanish pronunciations.

Movies, pen pals, food inspire them

The French club has enjoyed varied activities. During class periods once a week, members at Division II cut yellow felt fleur-de-lis to be mounted on blue backgrounds as bookmarks. These were presented to Division I members. On December 13 a Christmas party was held at the home of Jim Gamble.

One Saturday Miss Riller, the sponsor, accompanied some of the students to the Nelson Art Gallery to see the French film "Lili." Many of the students have ordered gold club pins.

The club is composed of students from both divisions of William Chrisman. They do many things to promote an interest in the club. They see French slides and movies, write to pen pals and have a banquet in the spring, at which only French food is served.

Paying their French club dues to Lea Thoman are Thomas Linnenbrink, Suzie Corken and Wilma Penton.

Inaugurates many varied activities

The Social Science club of Division II was organized for the purpose of studying and learning more about the countries of the world. They began their year with a trip to Central Missouri State College at Warrensburg. Several of the members took part in a panel discussion about world affairs with the International Relations club there. The club members also took a trip to Park College where they toured the campus.

A visit to the Truman Library proved very enjoyable for the students. During the year the club was host to several guest speakers. Lt. Col. H. P. Rand of the United States Army was the speaker at an assembly which the club sponsored January 20. These and many other projects helped to make this a successful year for the members of the Social Science club.

Gary Horner is pointing out to Claudia Bushey, Eddie Mitchell and Mary Jo Campbell spots in the world that are of utmost importance in international relations. Jeanne Allen is doing her bit by holding the world or the globe.

Displaying the pennants they made to sell at games are Judy Watson, Richard Trescott, Brenda Burnup, Elizabeth Schultz and Bob Stewart.

Advertising for school plays, providing programs and scenery for various activities keep members of the Art club of Chrisman busy.

Under the sponsorship of Miss Elizabeth Deuschle, the club visited the art center in Warrensburg. They sold pennants during the year to make money for a trip to the University of Kansas. Members of the club entered in the annual art exhibit held at Emery, Bird, Thayer's in Kansas City in March.

Second semester officers were president, Brenda Burnup; vice-president, Richard Trescott; secretary, Virginia Frazier; treasurer, Judy Oberhelman; reporter, Maxine Armstrong.

During the past year the Art club of Division II have had many activities. In December, as a community project, club members made table decoration for the Jackson County Historical Society banquet. The club also went caroling to Rest Haven and the Independence Sanitarium.

A trip to the Nelson Art Gallery was enjoyed by all members. They sponsored a Trans World Rock January 17, in the Division I gymnasium.

Using their talents to beautify Chrisman and furthering the knowledge of art is the aim of the club. Anyone with an interest in art is eligible for membership.

Future Homemakers of America is a national and state organization and one of the highest ranking clubs in the nation. It helps the girls to find their place in life. Anyone interested in homemaking skills is eligible to become a member. The club flower is the red rose; the club colors are red and white.

This year has been an active one for the members of this organization at Division I. As Elaine Embrey was president of the sub-district council, the sub-district plan meeting was held in the home economics room at Division I in October with the other members serving as hostesses.

The result of this plan meeting was the sub-district meeting held at Millaman's and attended by members of the various FHA clubs in the greater Kansas City area. William Chrisman Division I served as hostess school at the meeting held in November.

Also included in their many activities were a Christmas tea with Center Stake Youth Director Robert E. Taylor as guest speaker, a visit by a hair stylist and the formal and informal initiations. Mrs. Nelvada Dean is the sponsor.

The Future Homemakers of America is a national and state organization founded for the purpose of helping girls to further their knowledge of homemaking skills.

The William Chrisman members at Division II have been busy this year. The first of October the club held a bake sale at Milgram's Grocery store on Highway 24 to raise funds for their future activities during the year. Also held in October were the informal and formal initiations. The mothers of members were invited to the formal initiation held in the school auditorium.

The club attended the sub-district meeting at Millmans in Kansas City where discussions and talks were held for the benefit of homemaking clubs in the Kansas City area.

At Christmas a party was held at the school for the members. The sponsor for the 1958-59 school year was Mrs. Robinson.

During the Christmas season girls in home economics classes made candy. Judy Branche and Judy Wilson can hardly wait to sample the fudge made by Janet Andes.

Filling Christmas stockings for hospitalized veterans was a service of sharing enjoyed by all students in both divisions. Ronald Johnson, Marilyn Caskey, Donnis Graham and Kathy Bassett, Division I students admire some of the stockings that have been filled.

Junior Red Cross has been a national organization for more than forty years. It was organized for the first time at Chrisman in the 1956-1957 school year. Each summer a representative from Division I is sent to a training camp for one week to learn in detail about how the Junior Red Cross operates.

Each homeroom elects a representative to go to the council meetings; he reports the proceedings to his homeroom. However, each member of the student body is a member of Junior Red Cross.

During the school year the members planned a Junior Red Cross assembly, had an enrollment drive and sponsored a dance. For the third year they filled school chests for underprivileged schools overseas. These chests aid the children in learning; as well as giving them knowledge of the American way of life. Money was collected in homerooms to purchase the items for the chests.

Other projects included entering a float in the Halloween parade, working on correspondence albums to send abroad, taking a program to the Veterans hospital and filling Christmas stockings for children.

Service to the school, community, nation and the world is the aim of the Junior Red Cross. Chrisman has prompted this spirit through an energetic program of Junior Red Cross.

During the year the Junior Red Cross purchased shares in the stocks for a foreign exchange student. Next year for the first time a South American exchange student will attend Chrisman.

Chrisman worked with the disaster committee along with other high schools in the area. In December Richard Copaker, head of Junior Red Cross in Kansas City and also the Midwestern area president came to a Chrisman Division II assembly to tell of his experiences with the Junior Red Cross in Europe.

Members of Junior Red Cross made a correspondence album, went on a trip to Richards-Gebauer Air Force Base, had an enrollment drive in March, filled a school chest, entered a Halloween float in the Halloween parade in Independence and filled Christmas stockings for veterans.

Studying the *Junior Red Cross Journal* for program ideas, Patty Roach, Mary K. Smith, Teddy Holsworth and Kathy Lent acquaint themselves with the good being done all over the world by the many high school groups at work.

Students achieve personal growth

Library club members, B. Eaton, J. Ewing, L. Johnson and S. Erwin review an article in *Seventeen*.

The Library club at Division II under the supervision of Miss Pulliam, librarian, obtains valuable work experience by performing various jobs faithfully and accurately over a long period of time. These students are paid high dividends from the knowledge and understanding of library arrangement and procedure which will be applicable in high school, college and future careers.

The members of the Library club follow a schedule prepared by Miss Pulliam in doing their voluntary work. Pupils work each morning before school, assist for a half hour or longer after school or discharge their tasks during class periods.

The tasks are varied for a member of Library club. Included among the many tasks are checking books in or out, putting cards in returned books, shelving books, mending books, assisting in preparing new books for circulation, typing, decorating bulletin boards and assisting pupils in finding needed material.

Since the library was newly redecorated, the members were engaged in cleaning up after the painters had left.

At the meetings of Library club library procedures, problems and future special work is discussed. Frequently a social period follows the regular meeting. Special social activities this year included a potluck dinner and a Christmas party with an exchange of gifts.

Dear Dennis,
Good guy we've
had so much fun
together through all
years of high school.
We haven't been
together as much
this year, but I
remember the fun
we had in other
years. Dennis, I
think you are a
really swell gal
with so many
abilities. I am very
proud to know you.
I wish you the
very best of luck
in the years ahead.

Sincerely,
Jan Gordon

Searching for good reading are Gale Taylor, JoAnn Bissell, Norman Dalton, Donna Lyness and Marilyn Sellers, library assistants. They, in turn, are able to aid their fellow-students in selecting worthwhile books.

by working as library assistants

Examining the magazines for supplementary materials in the various courses, the library assistants perform another valuable service. JoAnn Bissell, Gale Taylor, Marilyn Sellers, Norman Dalton and Donna Lyness are enjoying a few leisure moments in the magazine corner.

Devoting one hour each day to performing many services to students and faculty are the members of the Library club. Assisting the librarian, Mrs. Piper, these students perform such tasks as checking books in and out, shelving the returned books and keeping the shelves and books clean.

The purpose of the Library club is to teach the members how to be library assistants. The members also learn the Dewey Decimal System; therefore they can keep the teachers informed on current affairs. They are acquainted with all the magazines and compile the old ones for reference. However, the most important information learned is how to assist students in finding research material and fiction books they would enjoy.

One hundred loyal Pep club members

The officers from Division I, Laura Gilbert, Donna Boyes, Maxine Armstrong, Linda Wills and Joyce Gillespie contribute their ideas for the homecoming decorations at an officers' meeting.

Giving loyal support and enthusiastic cheers at the various athletic events throughout the year are the 100 members of the Pep club. These girls, freshman through senior years, can be seen in their uniforms of blue and gold decorating the goal posts for football games, making posters for basketball games and promoting school spirit in the halls.

In addition to these activities, the Pep club has a drill team which performs at various games and parades. This year Ed Lee, ROTC Battalion Commander, instructed the girls in their practices before school and at performances.

The candidates for Mr. School Spirit were nominated by these girls for the junior and senior classes to choose by ballot. This is an annual event to give some boy recognition for his work and support in school events.

The football homecoming game is always a highlight in the season for the Pep club girls. They are in charge of decorating the float, making the crown for the queen and performing some intricate drills.

This year the Pep club sponsored a community chili dinner before the Chrisman-Van Horn basketball game. The proceeds of this will be used to help send the cheerleaders to the National Cheerleader Clinic this summer. Here they will be taught new cheers, motions and receive advice on getting crowd response.

Working right along side the girls in their activities and meetings are Miss Oneida Beeman and Miss Verda Riller, the club's sponsors. This is Miss Beeman's eighth year in Pep club work and Miss Riller's first.

The tickets committee, Nancy Brown, Pat Hinde, Laura Gilbert; chairman, Barbara Youngs and Evelyn Robinson are planning the distribution of tickets for a community chili dinner sponsored by the Pep club.

Aim . . . to discover and to develop

David Seal, Jerry Slayton, Don Reed and David Bland are planning meetings for the rest of the year.

The William Chrisman Science club was organized to further interest in the field of science. It is an organization to initiate research for careers and hobbies in science.

The work is by personal desire. As a club, joint activities will be brought about to help stimulate members by opening new fields of interest. Field trips in particular will exploit the above ideas, while regular meetings will provide a transfer of ideas.

Any student who is enrolled in one of the science classes is eligible for membership. Lectures, experiments and field trips are means of keeping up with fast moving developments in science.

The Science club of William Chrisman II was organized to help students gain a more accurate knowledge of science. It is a proving ground for the discovery and cultivation of skills and talents based on science.

The Science club members are responsible for the operation of the club. During the year they see films, have speakers come to talk to them. As a club they toured the water plant. They discuss topics about firefighting, city's main products and scientific research going on in the city.

The Science club of William Chrisman joins forces in an important educational movement — discovery and developing scientific talent in the American youth. The sponsors are Miss Evans, Mr. Ray and Mr. Shafer.

Studying bacteria through charts and microscopic slides are Jan McCarty, Carol Tudor, Bill Furney and Jim Richerson.

At an executive committee meeting Marsha Mowder, Mary Adams, Cam Austin, Catherine Franklin and Margret Harris discuss changing the constitution of the Commercial club.

A green shamrock on a white jacket is the symbol of the Commercial club. Membership is open to anyone enrolled in one of the business courses. The purpose of this club is to acquaint members with various businesses and to prepare them for positions in specialized fields of the business world.

Among the activities included by the members were the annual Christmas party held December 9 at the home of Miss Page, the sponsor, and a tour of a company in Kansas City to become acquainted with various machines used in commercial business.

C. O. E. program trains on the job.

Studying and planning the COE program for the year are officers of the three classes. They are Roger Miles, Carol Braton, Pat Howard, Sharon Ferguson, Mr. Smith, teacher; Janice Warren and Joe Price.

Forty-nine senior students are enrolled in the Co-operative Occupational Education program. This program is to help the students receive the training that is needed for a particular job. These students attend class one-half day studying information about that field. They spend the other half day working. They work an average of 29 hours every week. The class is taught by K. L. Smith.

There are many occupations that may be studied in this course but there must be an acceptable local training agency available. For example, there are fields in photography, printing, newspaper work, telephone operations and office work.

F. T. A. prepare for educational field

Planning programs for the Future Teachers are Genevieve Love, Julie Schulenberg, Lois McCorkle and Frances Hart.

The Future Teachers of America, sponsored by Mrs. Brush, has succeeded in providing stimulating activities for students interested in the educational field.

Every year the Future Teachers perform at least one service project for the school. Last spring they planted flowers, this fall they planted bulbs, evergreens and Mimosa trees.

During the meetings which were the second Wednesday of each month, different speakers discussed the advantages and disadvantages of the educational program and the requirements needed for each level of teaching.

In April of every year there is an annual visitation day. The students visit classrooms to observe and teach. In addition to this, last fall the members who had study hall spent this time in classes at Ott Elementary School.

"M" club develops women athletes

Symbolizing Chrisman's fine women athletes is the "M" club. Athletic ability, sportsmanship and good fellowship is the desire of this club of nineteen girls. The club is small because the academic as well as athletic requirements are difficult.

The second semester officers were president, Gerry Andes; vice-president, Jan Gordon; secretary, Sonya Smith; treasurer, Judy Reiff; reporter, Sharon Downs; social chairman, Joyce Salter. Miss Billy Wilson, girls' gym class instructor, is the sponsor.

Entering the Warrensburg Sports Day was one of the activities of this club. In this contest they won first in volleyball and table tennis, with one second place in the swimming contest.

Shawnee-Mission and the Lee's Summit's sports days were also entered. Plans were made for a social event once a month including a Come-As-You-Are party. The Senior banquet and the May picnic are the annual events. Included in plans is an outing at the Ozarks during the summer, which has become another annual activity.

A highlight of the year for the As-You-Like-It Dramatic society came at Christmas-time when the girls gave a party for some underprivileged children. Each girl was responsible for one or two children for whom she brought gifts, cookies, etc. In the spring the girls took the children on a picnic.

Other activities of the year included the annual Shan dance, the Dads' banquet, the Mothers' tea, the semi-formal spring dance and the senior banquet.

Nautilus Literary Society

Distinguished as the oldest society at William Chrisman is the Nautilus Literary society, formed in 1919. Navy blue and white are the club colors, with the white carnation as the club flower.

During this year Nautilus has initiated nine new members. These girls ably took their places in this society by planning a children's Christmas party for some underprivileged children. Each girl was given the name of a child for whom she would play "Santa Claus." This party was held at Donna Coil's home December 20, 1958.

Also on the list of activities were the "Shan Dance" and a spring formal attended by members of the three societies.

Linda Lightfoot watches as Sharon Heinlen takes her oath to join the Shakespearean society. Brenda Burnup administers the oath.

Organized in the school year 1920-21, the Shakespearean Literary society has increased in membership and services rendered. The student, Miss Nora Gann, first organized this group of girls.

Miss Gann acted as the teacher-sponsor. Since that time, the red carnation has been officially adopted as the club's emblem just as the colors red and white have been used significantly.

This year's new members anxiously anticipated their informal initiation into the club. The candlelighting formal initiation was held in the Little Theater of the school. Each girl joining the Shakespearean society took her oath to become a loyal member by serving others.

Have fun, & I hope we can see each other this summer!

Officers for the second semester were president, Carmen Jones; vice-president, Linda Lightfoot; secretary, Nancy Crick; treasurer, Carol Moore; parliamentarian-chaplain, Sharon Heinlen; reporter, Genevieve Love. Mrs. Mary Learnard is the club's sponsor.

Donna
It has been fun
knowing you this
year. I wish you
lots of luck in the
years to come. Take
care of Bob. ~~Russell~~
at my
Love

Dear Donna,
It has been real
swell knowing you these
past few years and hav-
ing Drivers Ed. and Pub.
with you. We had some
pretty good times in both.
Best of luck in all that
you do and may you be
blessed with many happy years
in the future.

Most sincerely,

Lois McCople
Dear Donna,
We've been schoolmates for a long time, nearly 6 years, and I've enjoyed knowing you all of them. You have truly been a good friend and I am sorry that we must go separate ways before long. But I will always have pleasant memories of the crazy things we did back in Dr. High, of dear old Chemistry class, & of course, Pep Club. We've had a lot of fun together, & I hope that our friendship will continue in the future.

Donna, you've got a good personality and a great deal of charm. I know you will be a big hit at N. U. & even more important ^{that} you will succeed in the world. I hope that things work out for you & Bob and that you will be able to be together next year. He's a swell guy, & you make a good couple. Whatever the future holds, I sincerely hope that you will find happiness & success.

This summer will be our last one before we take the first step in the process of becoming an adult, so we will have to take advantage of every moment. If you work at Helzberg's, we can eat lunch together, but if this doesn't work out, I hope we can see each other a lot anyway. May you find all that you desire in life and may your life be happy.

Lincerely,
Linda Wills

Wanted — signatures of schoolmates

Dear Klonna,

Well, here it is the end of 13 years of going to school together. It really seems funny that its all over and we will be graduating. Remember all the crazy things we used to do at Benton and the fights we would get into? Honestly, Klonna I have really enjoyed knowing you all these years and I hope that I will see you next year down at Columbia. I'm sure you will enjoy M.U. and I hope I will like Stephens. You are a very sweet and attractive person and I'm sure you will have much happiness in life. Lots of luck always.

Sincerely,
Rose Ann

Dear Doana,

You have been an asset to "Willie Chris" with all your abilities. And it has really been a pleasure for me to know you. When we first met I thought you were a beautiful girl and you didn't disappoint me. You blossomed in to the loveliest girl at Willie Chris". I'll wish you all the Best Luck and Happiness in the future. (with Bob also) Jackie Haggens

Classmates, dash off a dispatch

Dear Donna,

I don't hardly know where to start. We've been friends ever since we were squirts and I'm sure shall continue to be friends throughout life, like our mothers. We haven't really been together enough this year, but as you said, I've always known you were my friend and I've always felt very close to you. Donna, you are a beautiful girl not only in features but your smile and friendliness. I guess you are going on to college aren't you; if so good luck and I'd appreciate a letter now and then. I want to wish you an Bob the most of everything and I hope both of you have every happiness in life. I can't think of a lot more to say because I will be seeing you again. Be good Donna and study hard and above all stay as sweet as you are.

Your friend always,
Lind (Smith)

Friends' autographs needed

Dear Donna,

Thanks so very much for your sincere friendship the past 5 years. I will never forget all the number of times I cried on your shoulder & vice versa. You are the best girl friend I've had the pleasure of having all this time. I really appreciate it. Good Luck Always. Have fun this summer with Bob & in your work. I sincerely hope you and Bob get to your goal! All the times we discuss of Charley, Her Jerry the Alla and finally Anna. I don't know who else else would listen to me. If there is anything worthwhile I personally do to better you or Bob, just ask me. I'll do my best. We had lots of fun on P.C. in Publications. Congratulations! It P.C. was a half with us as officers. We finally did something worthwhile together! As your last a college I'll be seeing you. Sincerely Joyce Gillogie

Dear Donna — Please always remember that I love you and that you and all my fifth hour girls will always be "tops" in my book. You did a wonderful job on the '15 d Gleaner and have been wonderful to me. It has been a most pleasant year and you have been a very good student all three years. My blessings and best wishes go with you. Do come back to see me and write to me.

Sincerely,
Sarah Ellen Campbell

Donna,

Well we're finally out of Chrisman and I know we're both really glad. Now that we're out of high school we can think more seriously about our future. Donna, we could have one of the happiest futures ahead of us if we both could set our minds to getting along and understanding each other. You are really the first girl I can really say I've gone with and I'm sure you'll be the last. Everything I've done these last two years I've done with you and I think it is an awfully wonderful feeling. You are the most beautiful girl I have ever seen (I really sincerely mean this). When I was a little kid I always wanted to marry a pretty queen and I hope and pray my dream has come true. This summer I would like to spend a lot of time with you to plan out our future. I hope you mean all of the nice things you say to me and I hope you don't mean some of the others. I'm very sorry I've made you miserable many times these past two years but this year has really been a tough one for me. I love you honey and I hope you will always remember this. I hope we can get along fine this summer and be engaged by at least the middle of the summer. I would like to list some of our memories that I well always remember and cherish.

1. Our first date our freshman year.

2. When we started going steady

3. The many basketball games you attended
and waited for me.
4. The birthday party you had ~~had~~ for me.
5. The way you stood by me when I shot
off my mouth.
6. The nice way your folks have treated me.
7. The times you traveled ~~all~~ all over the state
with me.
8. The way you enjoyed talking to my mother
and grandmother.

Commencement Night

9. The times you stuck up for me when I
was in need of some one.
10. There are many more things I
would like to say honey, but the thing
that has ~~stuck in my~~ always given me
the love ~~you have~~ and the ~~way you have~~ treated me.
Still was the huge auditorium,
Silence descended o'er all,
Waiting the last memoriam
To fall on them in that hall.
The seniors looked proud on the platform,
Their hearts were not turned to the past,
Their dreams smiled on through the program,
'Til the "Alma Mater" was played at the last.
Then were eyes filled with strange tears,
And a loneliness entered their hearts,
For the things they had hated, they now held dear,
And they wished, not yet, to depart.

McColl (S.C.) Chapter

I'll do my best to give you a
happy life and I know we both
can live and love together the
rest of our entire lives, there is
something I want you to never forget.

I admire you very much for
sticking with this far and I hope
to make these things up that I have
done. I'll better close my writing
as getting late.

Don't forget to come that I done
all the all of my business
your future looks good
Best regards, Don
